

SWITCH-ON LIGHTING & ELECTRICAL

A nighttime photograph of a city skyline with numerous illuminated skyscrapers. In the foreground, a large fountain with water spraying upwards is visible. The scene is reflected in a body of water in the lower left.

A photograph of an outdoor garden at night. Several vertical, glowing cylindrical light fixtures are placed on a wooden deck and among plants. The lights create a warm, ambient glow. The plants include tall grasses and broad-leafed foliage. The overall scene is dark, with the light fixtures providing the primary illumination.
